THE BEATITUDES

“The longer I live, the more I realize the impact of attitude on life. Attitude is more important than the past, the education, the money, than circumstances, than failure, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company. . . a church. . . a home. “The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day. “I am convinced that life is 10% what happens to me and 90% of how I react to it.” ~Charles Swindoll
