Fifth Sunday in Ordinary Time (A)
8th February 2026

First Reading: Isaiah 58: 6-10 **Second Reading: 1 Corin 2: 1 - 5** **Gospel: Matthew 5: 13-16**

In the Sermon on the Mount, Jesus encourages his disciples to put the Beatitudes into practice and become salt of the world and light for others. God makes us the salt of the earth. Salt, however, does not exist for its own sake. No one sits down to eat salt and salt alone. Salt is a seasoning, it is meant to preserve and flavour the food that people eat. And in the same way light is not meant to be looked at, it is not meant to be covered and treasured like some precious object; it is given so that people might see what is around them and walk in safety, it is meant to penetrate and overcome darkness.

Pope Francis explains the meaning of the images of salt and light: "We who are baptised Christians are missionary disciples and we are called to become a living Gospel in the world: with a holy life we will 'flavour' different environments and defend them from decay, as salt does; and we will carry the light of Christ through the witness of genuine charity. But if we Christians lose this flavour and do not live as salt and light, we lose our effectiveness. This mission of giving light to the world is so beautiful! We have this mission, and it is wonderful! It is wonderful to keep the light we have received from Jesus, protecting it and safeguarding it. The Christian should be a luminous person; one who brings light, who always gives off light! A light that is not his, but a gift from God, a gift from Jesus. We carry this light. If a Christian extinguishes this light, his life has no meaning: he is a Christian by name only, who does not carry light; his life has no meaning. I would like to ask you now, how do you want to live? As a lamp that is burning or one that is not? Burning or not? How would you like to live? As burning lamps! It is truly God who gives us this light and we must give it to others. Shining lamps! This is the Christian vocation" (23rd May 2013).
